

Ahoy Shipmates and Friends of the *USS FRANK E. EVANS (DD 754)*
Association,

It is my pleasure to welcome you to our updated website! Several of our members have worked hard to produce a variety of information for your viewing pleasure. Several new links to additional information can be found throughout the website. Please take the time to check them out.

In the 74 Section of the website you can now click on a specific "lost 74 Sailor" and see a copy of the display board we use during our reunion memorial ceremony. As new information becomes available we update these story boards.

The ships store is also back online. We limited the items available for immediate online purchase. At the request of our members we are in the process of ordering new items for the ships store. As these items become available we will add them to the online ships store. Payments for orders through the online ships store are done electronically.

We have added the opportunity for those interested in joining our association to do so online. Our membership is comprised of:

- Former *USS FRANK E. EVANS (DD 754)* crew members (shipmates) who served during the 40's, 50's or 60's.
- Second Watch Members are other members such as family members of shipmates, friends, neighbors, crew-members of other American or Australian ships, etc. In summary: anyone interested in our former crew or the history of our ship.

May you always have "Fair Winds and Following Seas".

"Lest We Forget"

J. C. Campbell, President
